Job Description:

The support staff support the counselors and specialists in making sure our campers are living in a clean, safe, and secure environment. No one position at camp is more important than any other position at camp. We work as one team made up of counselors, specialists, and support staff, all united for the well-being of our campers with special needs. Support staff live in staff rooms, but must be able to keep their areas neat and organized. Support staff must be respectful of camper cabins and rooms nearby, and keep noise to a minimum at night. Camp Lee Mar does have a nightly curfew that ALL staff are expected to observe.

Free Time: Rest Hour 1:00PM – 2:30PM

Day Off: Once weekly as assigned in personal schedule
