

# Camp Lee Mar

## Job Description: Nurse (Admin)

### Requirements for Nurse Position:

- Have RN or LPN certification OR a current nursing student
- Have prior experience with medication administration
- Has first aid and CPR certification
- Excellent organizational and communication skills

### Job Description:

The health center is complete with a RN or LPN assisted by two nursing students or EMTs. We always have one nurse on-call 24/7 to attend to the needs of our Campers. Our nurses are responsible for medication administration, health-call and and take care of any other medical needs. A pediatrician checks in with camp each week.

Nurses are responsible for medication administration, health-call and and take care of any other medical needs. Medication administration happens during all meal times, afternoon snack and bedtime. In addition, we also have a pediatrician available for consultation if needed.

Nurses are assigned their own room around camp. They will spend the majority of their day in our health center, taking health calls and assigning campers with bumps and scrapes. Nurses are assigned dining room duty, with one nurse available at all times when the campers are eating for safety reasons.

On call duty: on a rotating basis, 1 nurse is assigned to being on call each night.

Free Time: Rest Hour 1:00PM – 2:30PM

Day Off: Once weekly as assigned in personal schedule
